UNIVERSITY OF SARGODHA
Data Center (IT Services)
Wi-Fi Internet Access Form for Students

Terms and Conditions

I _____, hereby agree to abide by the following IT/Internet Usage Policy/terms and conditions to access the internet facility at University of Sargodha.

1. I understand that the IT services at University of Sargodha (UOS) are for academic purpose and I shall not make use for any immoral, prohibited or commercial purpose and I shall not host or broadcast information that might harm others or may be otherwise considered objectionable or illegal as per Laws of Pakistan.
2. University of Sargodha reserves rights for IT services and may block, suspend or disconnect service at any time without prior notice found the violation committed in this regard.
3. Sending unsolicited mail, virus or making any sort of harmful activity on network is forbidden and will be considered as violation.
4. Privilege to Internet access will be through registered device and one device will be registered at a time.
5. I understand that I shall be responsible for use of this network and internet traffic generated from my computer and all contents contained in my computer/device. For data and network security, I shall ensure presence of updated antivirus/security software in my computer/device and University will not be responsible for my system/data loss.
6. I shall not attempt to deceive others about my identity or harass others using IT services. I shall not intrude in the privacy of others, and shall not try to access (or hack) computers/network, accounts, files, or information belonging to others (within University Network or Outside world) without their knowledge and explicit consent.
7. I understand that the IT resources provided to me are subject to monitoring, with cause, as determined by University or concerned authorities in response to any legal or law enforcement reason, when applicable. Further, the IT resources are shared/limited so considering the optimization of resources, may be accessible on schedule basis, contents basis or subject to the availability.
8. I understand that I will not take any steps that endanger the security of University network, specifically; I will not attempt to bypass internet/network access rules in place or to hide identity.
9. I understand that University or concerned authorities reserve the rights to change and apply procedure and policies of using IT/Internet services as and when required.
10. I understand that I will abide by the policies of Government of Pakistan or concerned agencies /PERN (Pakistan Education & Research Network, <http://pern.edu.pk/images/docs/pernaupv2.pdf>) for Internet usage along with changes/revisions time to time.
11. I hereby accept all the terms & conditions and will be responsible for use of IT services and I understand that action may be taken against me as per rules in case of any violation.
